5th February 2018

Dear Mr & Mrs Ye

Land at Burtonwood Road

Further to my recent letter I am advised that work in the area will commence on the Thursday 8 Feb 2018.

However it is not clear when they will survey this section of the road.

The contact for the appointed contactors PM Surveys is Nick McHugh, Operations Manager, phone no.

If there are any issues with their work please do not hesitate to contact either myself or Nick direct.

Regards

Nigel Poole BSc MRICS
