I would like to register my objection to the proposed Local Plan for Warrington.

The plan is NOT SOUND:

There is no justification for releasing green belt land on this scale.

A 20 year plan is too long .

There is no proposed detailed plan/funding to deal with traffic issues (access, congestion & pollution)

There is no justification for the growth on which this plan is built.

Housing numbers in the plan are too high and far exceed anything Warrington has ever achieved in the past.
