Subject: Comments on local plan psv

Sirs
The following are my comments on the draft local plan psv.

The release of 600 acres of green belt is totally unacceptable and not justified.

The proposed housing numbers completely subsumes historic villages such as Appleton Thorn. Large amounts of building are already taking place, or about to, in Appleton Thorn, Stretton, Appleton Cross and Grappenhall Heyes.

Neighbourhood Development Plans agreed with the council appear to be completely disregarded.

Acres of good quality arable land will be removed.

The proposed huge development of warehousing and logistics hub will do nothing to assist in the Governments zero carbon emissions target.

There appears to be no obvious plan to improve transport links to the town centre.

Regards
David Marten
