Dear Sir

I am writing to oppose the plan for the proposed buildings of 5000 houses between Appleton/Grappenhall. The reasons being gridlock of roads. Changing the village surroundings and character of the area. The building of new schools which there is no money for. Overcrowding in local hospitals and doctors surgeries. I know there are many more reasons which I have not stated at this time but I'm sure other people have set them out to you. I hope you take these reasons into account.
