Subject: Objections to local plans in south Warrington
Date: 16 June 2019 19:28:27

Dear Warrington council

I am emailing on behalf of my elderly parent in laws who wish me to email you on there behalf.

I would like to object to your local plans in the south of Warrington as my democratic right to tell you how it will effect the local area. I have lived in [REDACTED] for over [REDACTED] years and it's a magnificent area clean with fresh air green and quite to live. If these plans go ahead the noise pollution will be in creased 10 fold.

Please pass my objections to the correct department.

Kind regards

[REDACTED]
On behalf of peter and Rosalind ward [REDACTED]
