Response 99

Respondent Details

Information	
[redacted]	[redacted]

PART A - About You

1. Please complete the following: Please note the email address (if provided below) will be sent a full copy of the submitted response and a unique ID number for future reference (pdf attachment).

Name of person completing the form: Ian Smailes

Email address: [redacted]

2. What type of respondent are you? Please select all that apply.

A local resident who lives in Warrington

3. Please complete the following:

	Contact details
Organisation name (if applicable	[redacted]
Agent name (if applicable	
Address	
Address	
Postcod	
Telephone numbe	

PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The 160 houses planned for Burtonwood off PhippsLane/Green Lane do not take account of the traffic problems already existing in Green Lane at drop-off and pick-up times at the County Primary school in Green Lane. At these times, Green Lane becomes a virtual single track one-way street. The idea that another 150 - 300 cars per day can use it to come to and from the new estate is absurd, without major expansion of the road itself. Such expansion will in turn increase the already considerable traffic on Lumber Lane and Phipps Lane, roads that have seen no capacity improvements in the 39 years I have lived in Burtonwood..

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

I do not know enough about either to contest what the Council is doing and am assuming it is behaving correctly.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The new development needs to be sited south of Burtonwood but north of Junction 8 on the M62 so the increased traffic can access the M62 or the much improved road system south of Junction 8.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Draft Local Plan (as a whole). What would you like to do now? Please select one option.

Complete the rest of the survey (Part C)

PROTECT OUR GREENBELT AND SAVE OUR VILLAGE

Name IAN SMALES

Addres [redacted]

Address to:-

Planning Officer, Local Plan, Planning, Policy and Programmes, Warrington Borough Council, New Town House, Buttermarket Street, Warrington, WA1 2NH

The following statements are just a "short version" of my objections and concerns and more evidence can be found in the Burtonwood and Collins Green Action Group's file.

You cannot fail to see the open countryside and the Beauty all around you in Burtonwood and Collins Green. Feel the benefit of the fresh air and appreciate the value of a slow paced village life and tight community. All of that is under threat from a proposed development set to go ahead in 2020. Further developments are being proposed that could see our beautiful rural village evolve into an urban town. Below are some objections to the plan.

(1) CONSULTATION

The proposals for the development are vague and unclear. Many residents didn't get letters and those that did were not addressed by name. The venue for the consultation was not accessible to all and the means to complain long winded and complicated. Communication and information is lacking and appears to be mainly online based, not everyone is online. Developers and planners have access to consultants and resources, we don't. It is a highly unequal and undemocratic process. The council have a duty of care to liaise with neighbouring authorities to determine overall effects of congestion and road safety. There is little evidence of this having happened.

(2) INFRASTRUCTURE

Both hard infrastructure roads, bridges, railways etc and soft infrastructure- health, doctors, dentists, social services, education, parks and recreational facilities, law enforcement, emergency services and mental health will be affected by this and further proposed developments. Burtonwood and Collins Green do not have the infrastructure to support this development. Northern trust have said that if only 150 houses are approved the figure will be 'too limited to viably deliver the housing, open space, and, specific support for expansion of primary school facilities and primary care' In other words, no contribution to changing infrastructure unless more houses are approved. Which means longer waits for doctors, dentists, community nurse, counselling etc. School places in catchment areas no longer guaranteed.

(3) GREENBELT OVER BROWNFIELDS

The release of greenbelt has not been adequately justified and the reasoning for not using brownfields is unacceptable. The council should be forcing development on brownfields or previously developed land before any greenbelt is released. The plan involves loss of versatile agricultural land which leads to loss of income for tenant farmers. The plan relies too heavily on representations and assurances from land owners and developers.

(4) ENVIRONMENTAL—TRAFFIC— AIR POLLUTION

There appears to have been no assessment of traffic movement on Green Lane-Phipps Lane over a sustained period of time. The proposed entrance to the new development will be on Green Lane. Green lane is already critical for residents, children and parents on their way too and from school. With 160 houses comes approx. 320 more cars on the road at peak times. Couple this with other local developments and this is a recipe for

gridlock on our roads. Our children will be walking and cycling amongst this traffic which is not only physically dangerous but also has serious health connotations.

Warrington has one of the most congested road networks in the country. Air pollution in Warrington is already amongst the worst in the UK. The proposed access point to the new development is on green Lane opposite Burtonwood County Primary School. The increase in traffic on the lane will be immense. The pollutants in the air around our children and entering their lungs will massively increase. Children are more susceptible to pollutants than adults and exposure could cause or exacerbate ailments such as asthma and COPD. Adults are more susceptible to heart and lung disease and respiratory conditions such as emphysema.

(5) LOSS OF WILDLIFE HABITATS

Drastic loss of wildlife habitat (frogs, newts, toads, bats, woodpeckers, sparrows, starlings blue tits, foxes, rabbits and hares etc) is being treated like it doesn't matter. Britain has already lost half its wildlife, wildlife adds value and natural beauty to our environment and provides respite from everyday stresses. This development will decimate the local wildlife we love to watch.

I object to the proposed development plan on points 1) – 5). i.e. ALL THE ABOVE

Additional Comments

GREEN LANE AT DROP-OFF AND PICK-UP TIMES AT THE COUNTY PRIMARY IS A DE FACTO SINGLE TRACK ONE WAY STREET. TO PUT THE ONLY ACCESS TO 160 ADDITIONAL HOUSES ON TO GREEN LANE IS ABSURD.

I agree to the above statements and reflect my views and those as coordinated at our local meetings that formulate our objections as to the proposed building plan.
