Draft Local Plan (as a whole)

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I am really concerned that funding for the plan is unclear and that full consultation does not seem to have taken place with other local authorities/bodies as to how such a plan integrates with the North West Region and UK vision as a whole.

I have seen bus transport services from near to my house reduce over the last decade. As I get older such will be of increasing importance. At a local level the plan offers little to me in South Warrington by way of improving public transport links to the town centre.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Full detailed consultation with other local authorities/bodies. The size and extent of development proposed will see impact on a much wider basis. The plan needs to be considered as part of the North West as a whole and a 'balance' achieved on a Regional basis.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
