	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The plan destroys valuable Green Belt land south of the Ship Canal unnecessarily. It does not take account of brownfield sites in the north of the borough. .
The plan proposed building far too many houses for the town's needs.
The plan does not propose any improvements to an already overloaded road system, in particular the Ship Canal road crossings. It will lead to even longer and more frequent periods of gridlock on the local main roads.
The increase in traffic, particularly standing traffic, on local roads will pollute the atmosphere further.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan needs to propose a far more modest building programme, spread evenly across the north and south of the borough.
The plan should avoid destroying Green Belt land for the next generation.
It needs to take account of the already overloaded road system. Improvements need to be made before any additional houses are built in the borough.
