Dear Sir,

re. Consultation on Warrington Borough
Council's Updated Proposed Submission
Version Local Plan 2021

I wish to register my opposition to the proposed plan. I am in agreement with all the issues raised by the South Warrington Parish Councils working group on why the plan should not be accepted.

Warrington Town centre needs a larger footfall to regenerate; Warrington needs a new hospital. The site of the present hospital is within walking distance of the town centre. If a future hospital were built close to the town centre people could use public transport and give retail more opportunity for footfall. A central brownfield site close to the town offers huge opportunities.

yours sincerely

Mrs. B. Liles.
