Hello

I am writing to strongly object the Local Plan proposed, which I do not believe is sound. At a time when the whole world is looking at air quality / ecology and our climate I feel it is particularly objectionable that you are pursuing this scale of green belt release. This proposal, if pursued would destroy our landscape. We do not have the infrastructure in place to cope with this predicted growth, and I do not believe that the infrastructure would be put in place.

I urge you to re-consider.

Your sincerely

Karen Davidson
