Subject: Warrington Local Plan - Winwick
Date: 07 November 2021 17:46:46

Dear sir/madam,

I have been a resident of Winwick for 19 years and have been concerned at the aims and ambitions of the Labour-run council for most of that time.

And now, with their Local Plan, they seem again to have gone way overboard in their ambition to mess up the town and local residents rather than support, nurture and develop. Take the current plans for Winwick, as an example.

Nowhere in the Local Plan do they refer to the fact that Winwick village becomes gridlocked three times per day with the existing traffic, let alone the prospect of adding another 130 properties just along Golborne Road....

Three years ago the council administered traffic-calming activities to reduce the speed of vehicles travelling through the village and, more recently, have applied a 7.5tonne weight limit on trucks proceeding through. Again, to add more traffic to this area is reckless and irresponsible.

Not to mention the fact that they propose building these new houses on green belt land! When there is adequate brown belt land available for development elsewhere in Warrington - and the need for so many houses isn't there anyhow!

So I would ask you to submit my objections to the Local Plan, specifically the Winwick development on Golborne Road, and cite those reasons contained herein.

Please also confirm receipt of my objection by return email or by letter to;

Philip J Smith
