Dear sirs

I wish to formally OBJECT to the new local plan.

There is no thought put into this plan regarding amenities, schooling, Doctors, Dentists or road infrastructure let alone the local wildlife and current residents of the area.

It seems to be the easy and cheaper option to build on green fields instead of utilising the current brown field sites, of which there are many in and around Warrington

Once the Green fields are destroyed there is no going back and we have responsibility to preserve our countryside for future generations.

Yours sincerely

Sara Potheary (Mrs)
