Subject: Local Plan - Culcheth & Glazebury
Date: 09 November 2021 12:55:34

I am strongly against the new plan to build 200 new houses on holcroft lane, I don't think the current roads can cope with anymore traffic the road going through culcheth & glazebury reaches a standstill from 5PM to as late as 8PM most nights!

Anymore traffic to this would cause I lot of problems for the local residents & not to mention a lot of the local facilities would be over crowded.

It would also compromise the green belt of the area & it's natural beauty.
