Good morning,

Please find attached Cheshire Wildlife Trust's comments on the draft Warrington Local Plan. These comments have not been uploaded to the consultation portal so please could you confirm your receipt of the attached PDF.

Alongside our written comments we also feel a meeting with the Council may be helpful in order to have a wider discussion around how nature conservation policy is set to change as a result of the forthcoming Environment Bill and how it might affect the Council's duties and the contents of this draft Local Plan. It will also help to provide context to some of our comments. If this is something you are interested in then please do let me know when you have availability.

If you have any queries or comments about anything in our response then please do let Rachel or I know.

Kind regards,
