# Warrington Borough Council Local Plan Review

## **Call for Sites Registration Form**

October 2016

<u>Please note this 'Call for Sites' is for five or more dwellings or economic development</u> on sites of 0.25 ha (or 500sqm of floor space) and above, Gypsy, Traveller and Show People and Minerals and Waste sites.

The identification of sites does not imply that the Council considers that the site is suitable for development, either now or in the future. It cannot be taken as representing either an intention to allocate these sites, or as a material consideration in the determination of a planning application.

Potential sites that have been identified will be further tested through the Plan-making process, including through the Spatial Distribution and Site Assessment Process, Sustainability Appraisal/Strategic Environmental Assessment, several stages of public participation and independent examination.

Please also note that all the responses and information received as part of the 'Call for Sites' will be published and made available for public viewing as part of the open and transparent Plan making process.

**NOTE:** Please read the accompanying guidance note <u>here</u> before completing this form and complete a **separate** form for each site that you are submitting to the Council.

Please return your completed form and any accompanying supporting material to Planning Policy, Warrington Borough Council no later than 5.00pm on Monday 05<sup>th</sup> December 2016.

By e-mail: ldf@warrington.gov.uk

By post: Planning Policy, Warrington Borough Council, New Town House, Buttermarket Street, Warrington, WA1 2NH

Should you require further advice and guidance on completing this form, please contact the Planning Policy Team by telephone on 01925 442841 or by e-mail to ldf@warrington.gov.uk

What proportion is <i>previously developed</i> but not cleared?  (e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.	Are any exis	sting buildings on the s	ite propo	sed to be cor	verted?		
What proportion of the land is currently in active use?  What proportion is <i>greenfield</i> (not previously developed)?  What proportion is <i>previously developed</i> and cleared?  What proportion is <i>previously developed</i> but not cleared?  (e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.							
What proportion is <i>greenfield</i> (not previously developed)?  What proportion is <i>previously developed</i> and cleared?  What proportion is <i>previously developed</i> but not cleared?  (e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.	•				answer thes		
What proportion is <i>previously developed</i> and cleared?  What proportion is <i>previously developed</i> but not cleared? (e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.	What propo	rtion of the land is curi	rently in a	ctive use?		9/	, D
What proportion is <i>previously developed</i> but not cleared? (e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.	What propo	rtion is <i>greenfield</i> (no	t previous	sly developed	)?	%	(A)*
(e.g. demolition spoil, etc.)  * A plus B plus C should add to 100%.	What propo	rtion is <i>previously de</i>	veloped	and cleared?		%	(B)*
* A plus B plus C should add to 100%.			veloped	but not cleare	ed?	%	(C)*
Please provide any additional comments on a separate sheet if necessary.	(2.3. 3.30				* A plus B	plus C shoul	d add to 100%.
	Please provide an	y additional comments on	a separate	sheet if necessa	ary.		

### (7) Constraints to Development

Please tell us about any known constraints that will affect development for the proposed use, details of what action is required, how long it will take and what progress has been made.

Please use a separate sheet where necessary to provide details. If using separate sheets, it would be helpful to make reference there to the particular constraint, e.g (7)(e) – Drainage.

	Yes, No or Don't know	Nature and severity of constraint *	Action needed, timescales and progress	Confirm technica or by s provi	al study ervice
a) Land contamination					
b) Land stability					
c) Mains water supply					
d) Mains sewerage					
e) Drainage, flood risk					
f) Tree Preservation Orders					
g) Electricity supply					
h) Gas supply					
i) Telecommunications					
j) Highways					
k) Ownership, leases etc.					
Ransom strips,     covenants					
m) Other (Please provide details)					

### (8) Site Availability

Please indicate when the site may be available

Excluding planning policy constraints, when do you believe this site could be available for development?

Immediately (Note: to be "immediately available", a site must be cleared, unless being considered for

conversions.)

If not immediately, please state when it could be available:

If the site is not available immediately, please explain why – e.g. the main constraint(s) or delaying factor(s) and actions necessary to remove these:

### (9) Any Other Information

Please tell us anything else of relevance regarding this site if not already covered above that will ensure that it contributes positively to the achievement of sustainable development. Please use a separate sheet/s if necessary.
