Subject: Objection to the local plan

Please register my complete objection to the local plan. The decimation of green belt land is unconscionable. There is no excuse for it. There is no way the infrastructure could support the plan as it is already fit to bursting now. Try travelling from Appleton to Lymm at the moment - disgraceful.

The bus services are a complete disgrace and cannot be used as a means to justify some of your actions.

Local residents deserve better from our local council. Our children and future generations deserve better.

Also - please revisit your approach to getting feedback on the scheme. It's well known the online questionnaire has been designed to put people off from objecting. It's low and underhand, in line with the local plan approach.

I am a resident of Warrington South - [REDACTED]

Many thanks

Emma Neal
