It is outrageous that there are so many different properties going up in and around the Warrington area without the infrastructure being put into place or at least having been started already!!

Warrington will become more of a bottleneck going out and coming into the Town centre. Apartments being built in the town centre where the occupants will probably own cars or other means of transport, and there is certainly not enough public transport at the present time.(Waiting for Warrington's own electric buses)

Why does there have to be so many houses being erected on Green Belt land ?
