**To:** [Local Plan](#)  
**Subject:** Objections to South east extension plan  
**Date:** 13 November 2021 11:40:22

---

Hi

My name is Carly wise, I live at [REDACTED] and I would like to raise my objections to the proposed south east extension plan. The damage to wildlife, impact on traffic, increased pollution levels and the further strain placed on local facilities such as doctors surgeries and schools etc if this plan goes ahead will be utterly catastrophic.

This application must be rejected.

Regards  
Carly Wise
