Subject: Grappenhall sports club build
Date: 14 November 2021 19:34:40

Good evening,

I have been made aware of plans to build opposite grappenhall sports club on Stockton lane. If there is an official route to oppose these plans please let me know.

To take more of Grappenhalls fields and rural areas should not be allowed. To build on this site would completely ruin the appeal of this village! This lane is enjoyed by so many for its peace and quiet, to take it away from residents (as well as all the building around the walled gardens!) is not acceptable.
