---

Hi,

I am a resident of Grappenhall with young children, I want to express my disapproval of the local plan I think it negatively affects the area i currently live in.

The infrastructure is not here to develop further lack of school places doctors and dentists lack of access to green space for children.

I particularly object to any further disruption to Grappenhall village and Stockton lane up to broad lane there is already too much traffic and pollution from cars in this area. I don't think it is in keeping with the character of the area and do not agree with taking away green belt land. I object to using the money but not regeneration of the town centre bus cycle routes.

I would appreciate if my objections are taking into consideration.

Kind regards

Ciara Kennedy
