Subject: Objection to Local Plan from young people

I object to the Local Plan to release Green Belt land to build on.
The Plan is not sound: there is No justification for predicted growth
No need for the volume of housing and mass of employment land
No need to harm the air quality and local ecology
No need to destroy the landscape and character of our villages
No clarity on the means of delivery
No explanation of how the already poor transport infrastructure can cope with increased levels of traffic
And No justification for the scale of Green Belt release

Please re-think - we want to keep South Warrington a beautiful green area and not become a city and have cars and houses everywhere we look.

Also an update on the 2 buildings on Church Lane, Grappenhall would be much appreciated - the Old Rectory and the School - these are 2 examples where Warrington Council has let the village down for years and years.

Thanks
Ava Rudkin
