Dear Sir,

I feel the proposed development in Winwick & Surrounding areas is totally inappropriate. I speak as a resident in [Redacted], for almost 30 years and have seen many changes.

- 1) The traffic situation now is at times impossible. Getting in or out is a trial, without this housing and Parkside. Effect on health is unthinkable.
- 2) Green belt should stay that way. We need more areas for wildlife and for our own mental & and general health. Th pandemic clarified that. A pylon in the middle is an obvious health hazard.
- 3) Waterworks Lane, Middleton Lane etc are are already overused as it is and the turn into Rectory Lane & Close is sometimes dangerous and almost impossible at times.
- 4). One School at capacity, one shop, No doctor, No dentist, one hairdresser, One pub and a community centre. What happened to the word village? Not enough to warrant further housing or even for those here now with Winwick Park.

Yours faithfully Peter Malcolmson.

I would like to add Mr Bill Atkinson to the letter.
