To whom it may concern,

I am writing to lodge my objections to the Warrington Plan in its current form, particularly on respect of the South East Warrington Urban Extension.

The main points of my objection are:

The loss of individual local villages, ruining the feel of the area

The lack of proper infrastructure to support the plan (hospitals, roads etc)

The increase in traffic in the area, which is already too great

The fact that there are other suitable sites across Warrington that could more appropriately be used to build new houses upon.
