**Subject:** No to proposed plan...

I object.to the proposed plan due to the increase in...

Traffic congestion.  
Lack of infrastructure to support thousands of new homes.  
Ripping up of greenbelt.  
Oversubscribed schools/dentist.  
More air pollution from thousands more cars in the area.

You need to build on brownfield sites. First/regenerate the town centre/provide more affordable home's etc

Signed

Susan Hoolachan.
