**To:** Local Plan  
**Subject:** Local Plan Appeal

I wish to appeal against the proposals of the local plan:-

- 1) I am concerned about additional traffic in the vicinity
- 2) I am concerned about the character of our landscape and the history of our villages
- 3) I cannot see the justification of the vast extension of housing.
- 4) The COP26 should be a very valid reason to avoid destruction of green belt.

Kind regards

Jayne Jones
