Dear Sir/Madam,

Warrington Local Plan.

Why are you bent on destroying this once lovely town? - and its surrounding areas.

Surely you too are proud and happy to see it all and reflect on the fact that all this is ours: yours and mine.

Think long and hard before you decide to destroy it. Take a drive around and be refreshed; to destroy it is not our wish, it is yours. Once it is gone it is gone - then what? We are angry.

Yours truly,
Margaret Knowles Smith.
