

Local Plan, Planning and Programmes.

To Whom It May Concern.

Dear Sir or Madam,

I wish to register my opposition to the Local Plan. This is far too large for the whole Warrington area.

The removal of green belt into building land when there are brownfield areas available.

There is not enough infrastructure for the plan to be successful with new roads opening up further green belt for development. Villages will be swallowed up. The building of more commercial properties on greenbelt in an already congested motorway junction, which when blocked brings the whole of Warrington to a standstill , is very short-sighted.

No extra education, health services etc. have not had provision made for them or bus routes.

The amount of new homes to be built doesn't correspond to the decrease in the national birth rate.

Yours Faithfully,

SEAN KENYON
