## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

OS6 Winwick

2. What does your comment relate to? Please select one option.

Both of the above

If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).

10.11.1

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I don't feel adding 130 properties to the village falls within the councils responsibility that "Councils and other relevant public bodies will be required to work together more closely to tackle local air quality issues, and it will be easier for local authorities to enforce restrictions on smoke emissions from domestic burning, which pollutes our towns and cities. The government will also be required to regularly update its National Air Quality Strategy".

Pollution levels are already high with the latest surveys seen from the Parkside review. So I don't see how this is going to improve this for local residents. Already access to Golborne Road is already tricky due to the village being a rat run. So adding 130 properties to the village is only creating further issues.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

Not clear

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I don't feel the use of green belt land is suitable to this location. And feel it's use goes against enabling residents to live breathing healthy clean air for that of it's residents and children who attend it's school.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
