PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

OS6 Winwick

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

It is not a sound plan. The area proposed for development is mostly agricultural and has beautiful aesthetics to it. Urbanisation/expansion here is not a great idea as it will take away the authenticity of Winwick. This project will just ruin the countryside and the openness of Winwick. Have you considered other areas? I suppose you should also explain to the residents what other areas you have considered and why they are not an option for development. Across the motorway, chapelford village and beyond, there is plenty of space for new homes. I believe, its best to keep urbanisation where it should be.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

You wouldn't be proposing this plan if it was non-compliant. It would have been shelved by now. This statement is by no means a support for the plan. It is still unsound as explained above.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Look at other areas where development has already taken place/taking place. Those areas will be more suitable for further expansion. Why ruin the countryside?

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

8. If you wish to upload documents to support your representation form then please select 'choose file' below. You can upload a max number of 2 files (up to 25MB each).
