PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD4 Peel Hall

2. What does your comment relate to? Please select one option.

A specific paragraph number (s)

If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).

10.4, MD4.1 and MD4.2

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

These policies listed are basically the plans from Satnam for Peel Hall that have previously been submitted for planning and rejected on several occasions in the past. Nothing has changed since those plans were rejected, it is impossible to build a suitable road network in the area to support 1200 new homes, there are too many pinch points in Fearnhead for this. In addition, the environmental aspects are significant in these areas. There are equivalent green field sites with better potential transport links than the Peel Hall site. There must also be brownfield sites that could be developed to provide the required housing.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

I would consider the removal of policy MD4-Peel Hall from the plan in its entirety on the basis that the private investment plan already submitted and rejected by Warrington Borough Council has just been duplicated in the plan. Peel Hall should be given green belt protection within the plan, not a green field development opportunity.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
