## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

|                                       | Yes | No |
|---------------------------------------|-----|----|
| Legally Compliant                     |     | X  |
| Sound                                 |     |    |
| Compliant with the Duty to Co-operate |     |    |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Living in [REDACTED] classed as a village. The whole village scene will disappear if more houses are to be built on green belt areas. More traffic through the village, causing more disruption and congestion. More safety issues for children at the local school. Already congested down Winwick Road if there is an accident on M6 as most drivers come off the motorway down the slip road and try to get through Warrington this way. Hold ups at peak times are already horrendous without having more cars on roads. Local village school already full to capacity. No existing provision for healthcare, GPs, or shopping. .

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

No modifications to Local Plan as it should not be undertaken as the proposed constructuion of this plan is ridiculous for more houses to be built in Winwick on green belt areas. Also there is a large electricity pylon in the field where houses are to be built which is unsafe for local residents and a danger to the public's health..

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
