Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	<input type="checkbox"/>	<input type="checkbox"/>
Sound	<input type="checkbox"/>	<input type="checkbox"/>
Compliant with the Duty to Co-operate	<input type="checkbox"/>	<input checked="" type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The NRA/Waterways Agency have deemed this land should not be built on. Why has Mr Foden/The Egerton Trust /Briden not been told once and for all he cannot develop this land?

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

This land has only just had a Flood Defence Barrier built on it. I do not feel that granting the construction of any properties/building in the proposed area should be allowed as it would no doubt cause serious damage to this defence and weaken it if not break it through the vibration of construction and increased traffic in the area after construction?

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Plan as a whole.
