PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound	X	
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Legally compliant- not totally sure with recent changes to suggestions to use more Brownfield Sites instead of Green Belt that Warrington Council have achieved this, even though they have brought Fiddlers Ferry forward into the Plan. More brownfield sites need to be used.
Duty to cooperate- whilst the Council have reduced housing numbers and green belt space to be used - still more can be done to listen to the local people.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

Sound- covers a lot of Warrington' s needs .

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Please use less Green belt and more brownfield sites.

Also please make as many routes in the Local Plan MULTI USER ROUTES- so that all types of users can get more access across the borough.

Horse riders and those with Mobility issues find it difficult to access a joined up network of paths! Especially as we look more and more towards Active Travel- please include as many user groups as is possible

Thanks
