

# Proposed Submission Version Local Plan

## PART A - About You

1. Please complete the following:

Please note the email address (if provided below) will be sent a full copy of the submitted response and a unique reference number.

**Name of person completing the form:** Andrew Gerrard

**Email address:** [REDACTED]

2. What type of respondent are you? Please select one option only.  
If you are an agent please select the type of client you are representing.

A local resident who lives in Warrington

3. Please provide your contact details:

	Contact details
Organisation name (if applicable)	-
Agent name (if applicable)	-
Address 1	[REDACTED]
Address 2	[REDACTED]
Postal Town	[REDACTED]
Postcode	[REDACTED]
Telephone number	-

## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There is no indication of timing about when the required infrastructure will be built. If the houses are built before the roads and facilities then it will cause excessive stress on the existing infrastructure.

There are too many homes planned for this area of the town.

I do not think the "local centre" planned for the Appleton Cross area will fit into the space allocated for it, particularly when car parking is included. When comparing the area of Bridgewater High school with this, on a map, it is clear that a 4 form entry secondary school would not fit on this site.

Compared to the previous plan for south east Warrington the number of houses has not been reduced in proportion to the amount of land used. The planned number of houses needs to be reduced.

It is planned to have a recycling centre in the area, but there is no indication as to where that will be. This will have an enormous effect on the value of houses close to the centre and should be included in the plan.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The timing of infrastructure changes should be included in the plan so that it is allocated by planners not by developers.

The number of homes to be built should be reduced considerably. This would also allow the facilities at Appleton Cross local centre to be reduced so that they fit into the area allocated.

The location of the planned recycling centre should be included in the plan. This should be well away from any EXISTING houses to ensure existing residents are not financially affected. Maybe it could be on the industrial estate?

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for MD2 South East Warrington Urban Extension.

Please select what you would like to do now?

Complete another Representation Form on a different policy or part of the plan (**Part B**)

## PART B - Representation Form 2

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

A specific policy sub-number (s)

If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).

Policy MD2.1 part 2

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This policy refers to a "minimum of 4,200 homes". This leaves scope for developers to try to make more money by increasing the number still further. It should say a "maximum of 4,200 homes".

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Suggested revised wording: "a maximum of 4,200 homes".

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for MD2 South East Warrington Urban Extension.

Complete another Representation Form on a different policy or part of the plan (**Part B**)

## PART B - Representation Form 3

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The Council have made assumptions about the number of homes required in the future. Many people disagree with these assumptions and think the figures are too high. Given this difference of opinion it would make sense to develop the brown field sites first and leave the greenfield sites until last - in case they are not needed. Once the greenbelt has been taken away it cannot be put back.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Greenfield development should be delayed until after the brownfield sites have been completed.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

## PART B - Representation Form 4

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD6 South East Warrington Employment Area

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This area is much too big and will take a large section of greenbelt land not needed for employment. Given the proximity to the motorway junction it is very likely that a lot of the employees on this site would come from outside Warrington. It is also likely that this will be occupied by distribution and logistics companies (as proposed in the plan) which will mean few employees and a large number of robots and HGVs. The latter will significantly increase the pollution in this area.

Bradley Hall farm and its surroundings should be removed from this area as it is an ancient monument.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for MD6 South East Warrington Employment Area.

Complete another Representation Form on a different policy or part of the plan (**Part B**)

## PART B - Representation Form 5

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD6 South East Warrington Employment Area

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The area planned for this employment area is far too large. It is also larger than the current plans made by "six 56 Warrington" and shown on their website. Why are the Council trying to remove more land from the greenbelt than that proposed by the developers? (which I still consider too much).

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The employment area should be greatly reduced and the greenbelt retained as much as possible.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

8. If you wish to upload documents to support your representation form then please select 'choose file' below. You can upload a max number of 2 files (up to 25MB each).

If you are submitting more than one representation form please note: If this file upload supports more than one representation form then please do not attempt to upload the same file on subsequent forms. On additional representation forms please use the comments/file description box to type in the 'name of the file', or 'see previous form'.

If the file upload is a different document for additional representation forms then please continue to upload the file as normal.

## Masterplan

Following feedback from the local community, we have developed an illustrative masterplan which shows where the buildings could be located on the site.

The masterplan illustrates the proposed development of the Six 56 Warrington site. The site is bounded by a red line and includes several large blue rectangular areas representing proposed building plots. Plot 1 (Proposed Bldgs 10-200) is located at the top right, Plot 2 (Proposed Bldgs 100-300) is on the right, Plot 3 (Proposed Bldgs 100-300) is at the bottom right, Plot 4 (Proposed Bldgs 100-300) is in the center, Plot 5 (Proposed Bldgs 40-200) is above Plot 4, Plot 6 (Proposed Bldgs 40-200) is to the left of Plot 5, and Plot 7 (Proposed Bldgs 40-200) is further left. The site is surrounded by green fields and a road network. A blue line indicates an ecological mitigation area. The plan also shows existing buildings and infrastructure within the site boundary.
