PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The proposal is not justified fully enough around population growth and the need for affordable housing to attract our younger generations to stay in the area and bring up their own families in Warrington. There is no reference to additional education facilities for primary or secondary students in line with housing numbers. Incorrect use of green belt areas. Over population of small villages that will lose their character and community spirit.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

There is nothing that I can see as to why it would be illegal and it has taken into account previous comments from residents.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

No use of green belt land to achieve housing target.
Additional infrastructure to accommodate road users.
Additional public transport to outlying villages such as Iymm.
Affordable housing particularly directed at our current younger generation to appeal to them living in Warrington rather than going to Manchester or Liverpool.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
