PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

OS6 Winwick

2. What does your comment relate to? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

There is no consideration for improving the existing infrastructure, pollution or schooling for the additional homes.

The development both on waterworks lane and peel hall will mean more traffic into the village and more pollution. At the very least there needs to be a link road from Golborne Road to Waterworks so traffic bound for the motorway and using Waterworks as a cut through isn't travelling into the village and past the school causing additional congestion and pollution.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.
