<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

Please be as precise as possible.

Conservative planning policy to protect greenbelt from development.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Protection of the remaining greenbelt in south Warrington.  
Development already progressing at Grappenhall Heyes, Appleton Cross and Stretton mean the proposed development would completely, "fill in", all the remaining greenbelt in this area leaving only a small edge around Appleton Thorn.  
From Warrington to Appleton Thorn would be completely built up losing all open spaces, good agricultural land and destroying a green belt area beneficial and available to all Warrington residents. Such a loss would cause irrevocable damage to the image Warrington may want to give as a desirable place to live, becoming an area of urban sprawl rather than an area of attractive country green areas.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
