PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

OS6 Winwick

2. What does your comment relate to? Please select one option.

A specific paragraph number (s)

If a paragraph or policy sub-number then please use the box below to list. (For example - Policy MD2.1 part 3 or paragraph 10.2.13 etc as applicable).

10.12 Waterworks Lane and 10.4 Peel Hall

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

With respect to the proposed developments at Waterworks Lane and Peel Hall, I feel that there is no plan proposed to manage the impact of the development on the existing infrastructure on the village of Winwick. I believe the infrastructure in Winwick is already straining - and will be strained further from the major development proposed at Parkside.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I am being asked to give my view at this time which should help shape the planning decisions made on the back of the Local Plan

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Consider the road infrastructure through Winwick village - particularly the A49/Golbourne Road/Myddleton Lane. These roads already have heavy traffic around the local primary school, residential housing, local shops and pub.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
