|  | Yes | No |

| <b>Legally Compliant</b>                     |     | X  |
| <b>Sound</b>                                 |     | X  |
| <b>Compliant with the Duty to Co-operate</b> |     | X  |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The destruction of our sparse local Green Belt is totally unacceptable and in contravention of Government's professed commitment to safeguarding our environment against further degradation. In the past couple of years, we have started experiencing regular flooding in the locality, which I have had to report to the council for assistance, as the waters have threatened to inundate the home. Further denudation of our local Green Belt and new housing developments will only add to the pre-existent problems.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

New developments should be focused on Brown Field sites, please.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination

**If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

Local voices must be heard because of the direct impact on us
