	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

No justification for predicted growth. No need for volume of housing or employment land. No justification for use of green belt land for the plan when there are plenty of Brown field sites available. No need to destroy the landscape and character of the areas south of Warrington. No explanation of infrastructure road improvements in South Warrington which are already poor. No plan for dealing with increased traffic levels. None of the plan helps in developing Warrington Town Centre.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

Whilst we all realise there is a need for additional housing etc this plan seems as if an easy option has been taken and is little different from that of 2019. The council should look at all other options before continuing with a plan in South Warrington which has so many transport issues already. The use of Fiddlers Ferry as an option is positive but should have been one of the first options in the original thinking.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
