4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

It does not indicate the effect on existing residents due to lack of infrastructure, road access across the Mersey and ship canal, and motorway links which are already congested.
No regard is made to safety of existing residents to increased traffic on existing congested roads.
No regard is made to loss of green belt that could be used for tree planting to reduce Warrington carbon footprint. Once green belt is gone cannot be used for carbon reduction.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The Local Plan needs to be specific how North South traffic will be accommodated at times when the Motorway system is congested. Warrington's Carbon neutral plan should be considered. Tree planting should be considered.
