	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This is green belt land that will never be recovered. It is inhabited by many types of wildlife including protected wildlife.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The only way to make this legally compliant is to find some other land such as industrial estate and build the houses there. Further destruction of local green belt is against government policy to reduce global warming and enhance our presence on the earth which we are entrusted to look after. Please think carefully before supporting this.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination
