	Yes	No
Legally Compliant		X

Please be as precise as possible.

I do not know any local people I. This area they wish to see desiccation of the green belt land. Listen to the people that live here do it build on green belt. Ince gone it's gone forever.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

To not build on green belt. To look at building appropriate housing. Most people commuting into Warrington can't afford to live here, most people in higher paid jobs are commuting out.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
