PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD4 Peel Hall

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The road system in the North East of Warrington barely copes with the current level of use. Adding so many residential properties in such a congested area does not make sense. Permission to build these properties should not be given until the road improvements have been agreed and preferably put in place before building starts. The limited access via Poplars Avenue and Mill Lane is not sufficient. Mill Lane is already too narrow to cope with the traffic which uses it. Whilst residents have been asked their opinions the developers have not complied with their duty to co-operate.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Updating the road system in the Northeast of Warrington. Access to the A49, M6 northbound and M62 Westbound is not sufficient for current levels of residential property and adding more housing is going to make it even worse.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
