PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

Plan as a whole

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I do not believe the Local Plan to be true to its statement of intent. It is lacking in vision, does not appear to address the needs of residents in certain areas - Health and Education

1. The medical provision for the citizens of Warrington is woefully inadequate. The facilities and privision for all from cradle to grave needs serious thought and that is not evident in the Local Plan as it is presented.. Why is there not Walk in / Hub/ Treatment centre earmarked for Fiddlers Ferry. It would be an ideal site with road links / river crossings not just for Warrington's inhabtants but also Haltons.

2. Why are the Local Authority not aware of the surplus places in schools in West Warrington 9 particularly Primary) Fiddlers Ferry has rapid access by Foot, Bicycle, car, Pubic Transport to both Primary and Secondary Schools in Warrington

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I would say it gives a Passing nod to Legal Compliance but it goes nowhere near far enough. West Warrington has been swamped by Housing over the last decade with very little consideration given to the needs of the communities affected. It is not good enough.

We need improved Health facilities, We need our schools to be operating at full capacity

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

To make it sound refer to Points 4 and 5

That is if this is truly a consultation. Personally I have my doubts and feel decisions have already been made!

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

I am a resident and I care!
