## PART B - Representation Form 1

From the drop down list please select one option.

Objective 1

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I believe the draft plan needs to take into consideration the south Warrington environment, ecology and wholesale and irreversible destruction of the local green belt for housing needs. I feel the green belt release is unjustified and at odds with existing planning agreements. Brownfield sites should be examined as a matter of priority for housing needs in other areas of the town prior to the use of the green belt (as a last resort). The plan needs to establish realistic changes that will benefit the whole of Warrington as well as the outlying local communities. This should include forward thinking about the environment, infrastructure, roads, travel, commuting and our collective green spaces. I believe the plan is at odds with the need for a greener, cleaner local environment and overall government legislation and future thinking for climate change.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Build on brown field first eg fiddler's ferry

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
