PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

GB1 Warrington's Green Belt

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

I consider the overall plan to be over development in green field areas of South Warrington at a time when we need more open space to meet new environmental targets.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Scale back the overall scheme as predicted growth appears to carry little justification, and infrastructure inadequate to meet increased demands.
Accepting that the old 'New Town' had purchased land for development, it was to be accompanied by substantial infrastructure plans for a new secondary school and flyover bridge crossings, not in new plans. Suggestions of using the cantilever bridge for the increased housing is absurd, just look at existing use. Similarly no pressure on Peel Holdings to improve bridge crossings, which get stuck in summer, and badly need overhauling.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
