There's a clear under supply of quality new homes in Warrington. This plan will ensure the delivery of new homes, employment and associated services. We cannot have a save green belt at all cost approach, as lobbied by objectors. New homes improve the vitality and prosperity of the Borough, supporting business and more public sector funding on schools and healthcare. No local plan will lead to piecemeal development that is not joined up and results in more issues.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
