Both of the above

	Yes	No
<b>Legally Compliant</b>		X
<b>Sound</b>		X
<b>Compliant with the Duty to Co-operate</b>		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Green belt land should only be used as a last resort and there is no justification for the scale of green belt release, for predicted growth, or for such a volume of housing in the area.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Use brownfield sites, not green belt. For any large increase in housing provision, the infrastructure should be considered - increased road usage and road suitability, and provision of schools, doctors surgeries etc.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
