Please be as precise as possible.

The use of green belt is an absolute travesty. I am no tree hugger but I feel I must register my opposition to the building of homes on this green belt . Not only will this be a blot on the landscape but the increase in people and cars , Warrington cannot cope as it is especially if there is an accident on the motorway everything pours of at the Lymm junction and is gridlocked all the way through to Warrington. Also the 4 bridges will not cope with any further volume of traffic especially at peak times .

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

See notes above

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.
